

Restoration of a dissolved Company

Atex Business Solutions have assisted many companies with the restoration of their LIMITED company that has been dissolved.

Usually these companies have been dissolved by either Companies House or the Bank

If this has happened to you, we would be very interested in talking to you should you wish to restore that company.

There is an unforgiving feeling when this occurs to you and your business and you need assistance quickly and at a reasonable price.

The most common reason for wanting to restore such a company is that there was money in your bank account which you cannot now gain access to. How frustrating!

We can discuss the matter and see what the best course of action will be to pursue and hopefully have your company raised from the dead within 4-8 weeks depending of the severity of the case.
